NOW

AND

EVER

Impegnata da sempre nel produrre e diffondere i valori della sicurezza e del comfort nella produzione di dispositivi e complementi, Thermomat lancia con EVER LIFE DESIGN una nuova sfida volta alla ridefinizione di uno spazio importante come il bagno. EVER LIFE DESIGN, pur tenendo conto delle necessità quotidiane che cambiano e assumono specifiche peculiarità, si identifica con l'idea che nelle diverse età della vita si possano continuare ad utilizzare sia lo stesso luogo sia lo stesso arredamento, se scelto con attenzione. Un luogo in cui far convivere figli piccoli, adulti e persone anziane con le loro necessità da soddisfare, oltre alla riscoperta e difesa della valorizzazione del "sé" che non deve mai andare perduto in qualsiasi momento della propria vita.

Always committed to creating and spreading the values of safety and comfort in the production of devices and accessories, Thermomat, with EVER LIFE DESIGN, launches a new challenge with a view to redefining such an important room like the bathroom. EVER LIFE DESIGN, even taking into account the daily needs that change and take on specific characteristics, identifies itself with the idea that, at different ages, people can go on using the same place and the same furniture, if chosen carefully.

A place where children, adults and elderly people can live side by side with their own different needs, that must be satisfied, as well as the rediscovery and defense of the enhancement of the "self" that should never be lost in each moment of one's life.

portasalviette
towel holder

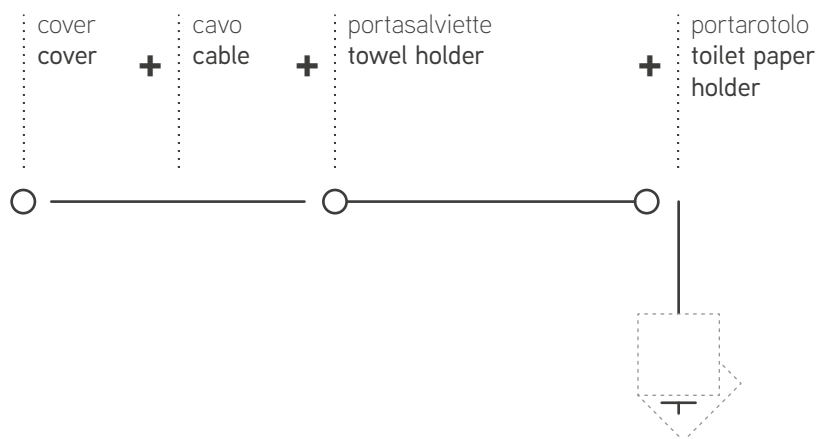

Una collezione di complementi e accessori modulari e multifunzione, dallo spirito democratico.

Eleganza nel dettaglio, materiali non convenzionali, funzionalità versatile e trasversale, sono gli elementi che caratterizzano DOT.

.....

A collection of modular and multifunctional accessories and complements, with a democratic spirit.

Elegant details, unconventional materials, versatile and cross functionality, these are the features of DOT.

DOT risolve gli spazi più piccoli così come le sale da bagno più spaziose, grazie all'attenta progettazione e all'industrializzazione degli elementi che la compongono: un sottile ma resistente cavetto d'acciaio scorre all'interno di solidi appigli cilindrici, fissati a muro.

.....

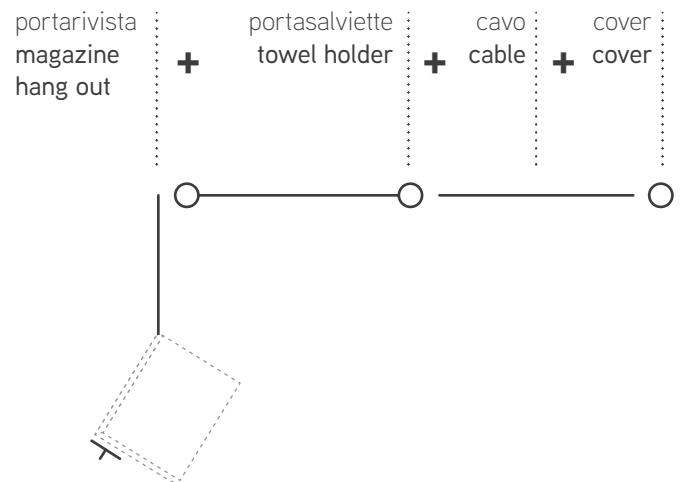

DOT is suitable to be used both in narrow spaces and spacious bathrooms, thanks to a careful design and to the technical features of this new line: a thin but resistant steel rope, sliding inside cylindrical solid body, fixed to the wall.

D O T

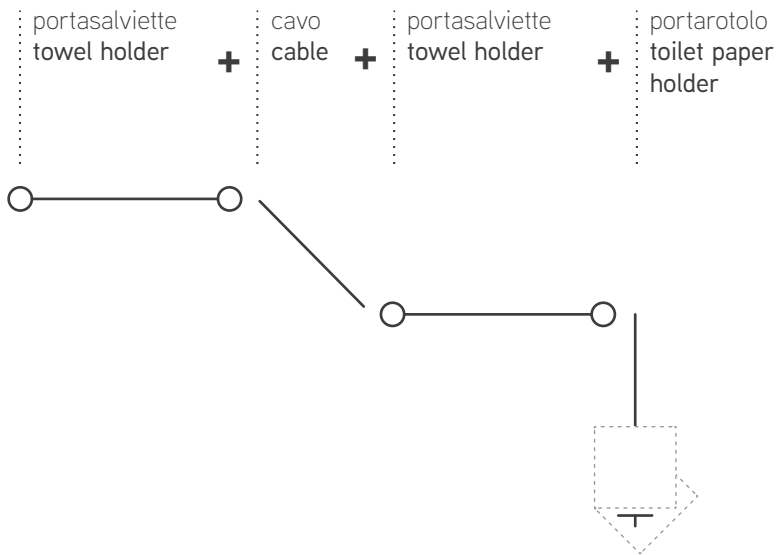

D O T

Totale libertà di configurazione.
 Il cavo funge da portasalviette per lavabo e bidet, ma è anche spazio utile per appendere altri accessori.

.....

Feel free to choose your configuration.
 The steel rope becomes a towel holder for the washbasin and the bidet, but it is also a useful space where you can hang other accessories.

Una barra attrezzata portaoggetti che diventa un appiglio sicuro. Gli accessori hanno un design minimale che rendono la barra facile da inserire in ogni tipo di bagno.

Se posta a fianco del lavabo, la barra diventa una comoda estensione del piano di appoggio con vaschette, pianetti, dispenser e bicchiere. Lo specchio, applicabile alla barra, è progettato per avvicinarsi alla persona ed evitare sollecitazioni della schiena.

.....

An equipped bar for your accessories, that turns into a safety handhold.

Thanks to the accessories with a minimal design, it is possible to fit it everywhere. If you install it close to the washbasin, it is a convenient extension of the flat surface with trays, small shelves, dispensers and glasses. The mirror, that you can fix directly on the bar, has been designed to be easily turned and moved, in order to avoid strains on the back.

P R O P

PROP

Lo specchio, circolare o rettangolare, da applicare alla barra può essere ruotato e spostato.

.....

The mirror, in round or rectangular shape, can be fixed to the bar and it can be easily turned and moved.

Le pratiche vaschette possono contenere diversi oggetti, permettendo alla barra di essere installata in qualsiasi parte della casa dove è necessario un sostegno ed un punto dove poter appoggiare piccoli oggetti della vita quotidiana.

.....

The practical bowls can contain different objects, allowing the bar to be installed everywhere in the house where support is needed and where small objects of everyday life can be placed.

barra luminosa **led light bar**

S H I N E

.....

Design

Monica
Graffeo

.....

Una maniglia, un solido appoggio ma anche una luce ausiliare, per la notte o per creare una calda atmosfera che fa da guida nella sala da bagno. La barra luminosa a led è orientabile in diverse posizioni e proietta quindi la luce verso il basso, l'alto o la parete. Si può installare sia in posizione verticale sia orizzontale.

.....

A handle, a strong support but also an auxiliary light for the night or to create a warm atmosphere that acts as a guide in the bathroom. The LED light bar is adjustable in different positions, projecting the light downwards, upwards or toward the wall. It can be both vertically and horizontally installed.

S H I N E

Disponibile anche in versione installabile
sotto la doccia (non orientabile).

.....

Also available for installation in the
shower (not adjustable).

SHINE

La rotazione della barra è di 360°, il fascio di luce è quindi direzionabile verso la posizione preferita. La funzionalità di sostegno viene mantenuta e garantita in tutte le posizioni attraverso un efficace sistema di bloccaggio. La dispersione del calore consente alla barra di non surriscaldarsi anche in lunghi periodi di accensione.

.....

The LED bar is turnable through a secure 360° rotation, thus allowing to direct the light in the preferred direction. The support functionality, is maintained and guaranteed in all positions through an effective locking system of the light bar. The dispersion of heat allows the bar not to overheat even in long periods of lighting.

SOFT OR STRONG?

LAVABO IN POLIURETANO O
CRISTALPLANT

POLYURETHANE OR CRISTALPLANT
WASHBASIN

Bounce è un lavabo dalle linee pulite e morbide, che trae spunto dalla tradizione della cucina. La sua forma, abbinata ai diversi accessori disponibili, ricorda le forme archetipe di pentole e tegami, trasportate nel contesto bagno per creare un effetto rassicurante. Assolutamente innovativo è invece il materiale utilizzato: il poliuretano.

Un materiale, dalla texture liscia e setosa, morbido al tatto che si abbina perfettamente alla linea essenziale di Bounce.

Disponibile anche in Cristalplant.

.....

Bounce is a washbasin of soft and neat lines, inspired by the kitchen traditions. Its shape, together with the various relevant accessories available, recalls the archetypical shapes of pots and pans transposed into the context of the bathroom to create a reassuring effect. Completely innovative is the material used: polyurethane. A material with a smooth and silky texture, soft to the touch, which perfectly matches Bounce's essential shape that make it extremely customizable. Available also in Cristalplant.

S T O N Y

.....

Design

Thermomat

.....

Stony è realizzato mediante un impasto di marmo resina colorato in massa. Il marmo resina è un materiale estremamente solido, igienico e facile da pulire grazie alla superficie non porosa e non assorbente. Forme sinuose, prive di angoli vivi, superficie liscia di forte impatto materico, danno un tocco di ecletticità al bagno.

.....

Stony is made in stone-resin mass dyed. The stone-resin is an extremely strong and durable material, and it gives to this washbasin a strong nature; easy to clean thanks to a non-porous and non-absorbent surface. Rounded mould, free of sharp corners, incredibly emotional smooth surface: an eclectic touch for your bathroom.

EVERY 44

La serie EVERY 44 richiama le forme lineari della precedente ma è anche fortemente caratterizzata da un bordo distintivo particolarmente raffinato. Volumi compatti e semplicità formale sono frutto di un design contemporaneo che si integra perfettamente in qualsiasi ambiente bagno. Realizzati in ceramica bianca e disponibili nella versione a pavimento, sospesa e monoblocco.

.....

The line EVERY 44 looks like the same simple shapes of the previous one, but it is characterised also by a sophisticated edge, one of the line's distinguishing features. Compact and simple, markings which are the result of a contemporary design, that fits perfectly in each bathroom.

Made of white ceramic, they are available in a few versions: floor standing, hanging and close coupled.

STYLE 47

La linea di sanitari Style 47 ha forme squadrate, avvolgenti e confortevoli ed un'altezza del WC e bidet di 47 cm per fare in modo che la seduta ed il rialzo siano agevoli e senza problemi. Il lavabo che completa la serie consente con la sua stondatura sul davanti un avvicinamento più agevole e quindi un utilizzo facilitato del rubinetto e offre un design particolare, elegante e raffinato.

.....

Style 47 sanitaryware series has squared lines, surrounding and comfortable shapes and a height of 47 cm for the WC and the bidet to make the seating and the getting up easy and without any problem. The washbasin, that completes the series, allows with its rounding front shape an easier approach and therefore a simpler use of the faucet and offers a particular design, elegant and sophisticated.

T - S T O N E

La serie di piatti doccia in marmoresina T-STONE presenta una gamma attuale e adattabile a qualsiasi spazio. Numerose finiture, dimensioni e versioni “su misura” soddisfano le richieste più esigenti. Le varie colorazioni consentono di adattarsi a qualsiasi bagno e stile. Il materiale high-tech garantisce il massimo del comfort e della sicurezza grazie alle proprietà anti-scivolo ed antibatteriche. Adatto sia ad installazioni domestiche che ad ambienti ricettivi come hotel, palestre, piscine, luoghi chiusi o all’aperto.

.....

T-STONE, a range of Marble-resin mass dyed shower trays, contemporary and suitable for any space.

A large number of finishes and dimensions, tailor-made versions are available in order to satisfy any kind of request. Because of the range of colours, you can fit it in every bathroom, independently from the style. The high-tech material used guarantees an high level of safety and comfort, thanks to antibacterial and anti-slip properties. Suitable for domestic installation and for accommodation facilities like hotels, gyms, and swimming pools.

T - S T O N E

T - S T O N E

PANNELLI LATERALI T-STONE

disponibili nella stessa finitura e colorazione del piatto doccia, utili nel caso si desideri sostituire la vasca con un piatto doccia coprendo i lati precedentemente occupati dalla vasca. I pannelli vengono consegnati già tagliati nella misura desiderata semplificando le operazioni di montaggio e ottenendo così il miglior risultato estetico e funzionale.

.....

T-STONE SIDE PANELS

are available in the same finish and color of shower trays, a useful solution if you are replacing the bathtub with a shower tray by covering the sides previously occupied with the bathtub. The panels are delivered already cut to the desired size simplifying the assembly operations and thus obtaining the best aesthetic and functional result.
